

DAILY DISCIPLESHIP LESSONS FROM THE BOOK OF LUKE

The Gospel of Luke presents many important facts and significant lessons about Jesus. First, it clearly establishes that Jesus Christ is the Messiah prophesized in the Old Testament. Second, it proves that Jesus is the Son of God as He claims. Third, it confirms that Jesus has complete authority over everything in the world, including overcoming evil, controlling nature, overcoming death, healing people, the power to forgive sins, the power to bless people, and the authority to give people eternal life in heaven. Jesus displayed the miracle of overcoming death through His own resurrection. The Gospel of Luke provides a first-hand account of the events of Christ's life from the Apostles and other witnesses.

"The Spirit of the Lord is on me, because He has anointed me to preach good news to the poor. He has sent me to proclaim freedom for the prisoners and recovery of sight for the blind, to release the oppressed, to proclaim the year of the Lord's favor." LUKE 4:18-19
