When do medications need to be turned in?

High School students must turn in ALL of their medication to the First-Aid Team during commissioning services. This includes Over-the-Counter medications. Students are not to have any medications in their possession during the entirety of the trip, save for students who require an Inhaler, Insulin, Epi-pen or have prior special approval from the First-Aid Team. In most cases the medications will be handed out during "Medication Hours" in the morning and the evening. This is for the safety of all students.

What if I don't have a US Passport?

If your passport has been issued by a country other than the United States of America, it is YOUR responsibility to call your Consulate to make sure you have the proper documentation for travel outside the USA, as well as for re-entry into the USA.

Can I be dropped off late/separate from the group?

Individuals CANNOT be dropped off late or separately; or picked up early or separately from this trip. If you cannot be with us for the entirety of the trip, then this is not the year for you to go. No exceptions.

While we do offer partial scholarships, we ask that you also raise your own support for Mexico 2023. Many students have paid their entire trip cost through their own fundraising.
