

Dear Friends,

Please join me and Carol on this exciting Mediterranean trip as we follow in the footsteps of Paul exploring ancient cities and soaking in the most stunning views in God's creation. We are privileged to explore this beautiful region where the Apostle Paul ministered, wrote his letters, and grew the Christian church. This trip is a fantastic opportunity to strengthen your faith and Biblical history all while visiting amazing ancient sites and enjoying God's creation.

This trip will take us to some amazing locations, such as Santorini, Mykonos, and Florence; as well as one of my personal favorites, the ancient city of Ephesus, where the Apostle Paul spent three years of his ministry and where he wrote his first letter to the Philippians. New Testament scriptures will come alive as we tour these ancient cities and relive Paul's teachings.

You will wake up each morning in a new and amazing city, ready for us to explore and study. In the evenings, you can dine and connect with Bayside friends and pastors and then sit on the deck of this brand-new cruise ship and take in the magnificence of God's creation.

We would be delighted if you would journey with us in studying and exploring these ancient and breathtaking places visited by the Apostle Paul. Please think and pray about this marvelous opportunity to explore a gorgeous portion of the world, grow new friendships, and discover how God can use this trip to develop in you a desire to, like Paul, spread the Good News of the Gospel.
