A note from the Global Outreach Pastor

Bayside's Global Outreach team is excited to share our mission partners with you. Within these pages, you'll be introduced to the amazing families and organizations who seek to live out The Great Commission Matthew 28:19-20.

Take time to read about the work being done across the Globe to reach the marginalized and people who may not have access to God's Word. Many of our partners work diligently to share God's love with people who have not come to a personal relationship with Jesus.

Please join us in praying for these families as they serve sacrificially in some very difficult situations.

John Weston

"THEREFORE GO AND MAKE DISCIPLES OF ALL NATIONS, BAPTIZING THEM IN THE NAME OF THE FATHER, AND OF THE SON, AND OF THE HOLY SPIRIT, AND TEACHING THEM TO OBEY EVERYTHING I HAVE COMMANDED YOU."

The Alkare Foundation

Africa & Mexico

The ALKARE Foundation Orphan Ministry is a faith-based organization. They come alongside orphanages to strengthen and support them in body (nutrition), mind (education), and soul (discipleship) in economically challenged areas of the world. The ALKARE Foundation Orphan Ministry believes that orphanages are a perfect place to show God's mercy, grace and hope.

It is their belief that when the basic needs of a child are met, they will be more receptive to education and ultimately to how God wants to work in their lives. Their prayer and hope is that God will continue to direct and provide resources for this ministry as He desires and that others will feel the call of the Spirit and join Him in this work.

"HUNGRY STOMACHS HAVE NO EARS."

THEY ARE CURRENTLY PROVIDING SUPPORT FOR FIVE ORPHANAGES:
MEXICO: MEXICO CITY, TOMOCHIC, AND PUERTO PENASCO
AFRICA: NALUGAZI, UGANDA AND KABAWATA, ZAMBIA

HEART is an orphan prevention program empowering the mothers to develop unique ideas for income generation as they take care of their households.

Vickie is a great local friend to Bayside and has made it possible to send many Bayside teams to Kenya every year. HEART also has countless programs and projects that offer education and mentoring to the vulnerable throughout rural Kenya.

THE VOLUNTARY COUNSELING AND TESTING PROGRAM FOR HIV HAS DELIVERED 80 SEMINARS ALL OVER KENYA. THE PROGRAM HAS SERVED MORE THAN 140,500 PARTICIPANTS SINCE 2000.

Indonesia

The Morgan's vision is for Christ to be known and worshiped by the masses from every Unreached People Group in Indonesia and for the Church to be passionately united for the cause of the Gospel. They achieve their vision using 3 main strategies:

(1) They support families who are already sharing Christ in hard-to-reach places by helping run a hybrid education program for their Middle and High school students.

(2) They partner with other ministries to boldly and clearly share the Gospel, make disciples, plant churches and display the love of Christ through compassionate service.

(3) They encourage and equip the Church to fulfill their role in The Great Commission. They raise awareness for Unreached People Groups and also provide training, resources, and opportunities to serve.

ADVANCING THE GOSPEL AMONGST UNREACHED PEOPLE GROUPS BY SUPPORTING FRONTLINE FAMILIES AND EQUIPPING BELIEVERS IN THEIR UNIQUE ROLES AND LOCATIONS AS AMBASSADORS FOR CHRIST TO ALL NATIONS.

Agape International Missions

Cambodia & Belize

Agape International Missions is doing whatever it takes to end one of the greatest evils of our lifetime, human sex-trafficking. They work to relentlessly rescue, heal and empower survivors of trafficking to be free. This work doesn't stop at rescue. For these girls to truly heal and grow, they need to feel the unconditional, relentless love of Christ. When this love is shown, survivors understand their true worth and value, and then they are able to become abolitionists themselves.

For almost 20 years, AIM has been working in Cambodia. The transformation they have seen in individuals, families, and communities is awe-inspiring and a testament to God's love and care for each of us! In all of our programs, AIM works to end trafficking through restoration homes, education, AIM SWAT team, training employment centers, community outreach, and discipleship. Bayside's support helped to launch the AIM SWAT Team where over 1,600 girls have been rescued and over 500 traffickers have been arrested.

FROM PROTECTING THE VULNERABLE TO WALKING WITH SURVIVORS THROUGH HEALING TO **EMPOWERING WOMEN** IN THEIR LIVES OF FREEDOM, AIM WORKS TO BE THE HANDS AND FEET OF JESUS FILLING NEEDS AND PROCLAIMING THE GOSPEL.

China Missions Ministry

China

China Missions Ministry is a family of ministries, which share the same Christ-honoring purpose -- “make disciples in China and in the regions beyond.” They have been partnering with Bayside since 2010.

Because persecution is at an all-time high, the ministry strategy has changed a bit. For most of the last 20 years, they have depended on large events to bring people to Christ and form home fellowships. However, because the large gatherings expose the ministry, their strategy has now shifted to growing the current home fellowships from within and when they reach a certain number of people in the fellowship they divide and start a new fellowship. A longer process but slowly becoming highly effective!

Because of the difficulty of getting both a passport and a visa to go to another country, God has, in His wisdom, opened up opportunities to go to the least reached within China.

CURRENTLY OVER 2,000 HOUSE CHURCHES ARE ESTABLISHED ACROSS CHINA.

CHINA MISSIONS MINISTRY IS ENTIRELY LED BY CHINESE STAFF.

Asia

The Evangelical Alliance Mission

Japan

The Pagaragans first started attending Bayside in 2007 and eventually helped launch the Video Cafe on the GB campus. Bayside has partnered with the Pagaragan family since 2010 when they first moved to Japan. Since 2017, Bayside has been sending teams to visit their ministry called The Neighborhood.

They have spent the past five years in Tokyo loving students simply by living life with them. God has given them a clear gifting in this type of hospitality evangelism and discipleship, and their passion for their student center called The Neighborhood. This is an expansion of the work God has already begun. This center is a place where students can relax in a warm and safe environment while building healthy and encouraging relationships. They come knowing that they will be poured into with a love that can only come from God.

WHY JAPAN?

SUICIDE IS THE LEADING CAUSE OF DEATH AMONG AGES 15-39. 21,897 PEOPLE TOOK THEIR OWN LIVES IN 2016.

THERE IS ONE MISSIONARY FOR EVERY 64,000 PEOPLE.

India Ministry

India

The India Ministry works to prevent human trafficking of children in the lowest castes of India. They believe that the solution involves the overall transformation of the culture and communities that accept child trafficking as a normal way of life. Bayside has been partnering with the India Ministry since 2003 and have sent several teams to visit the Bayside sponsored village of Bahman Baratta.

The India Ministry develops spiritual curriculum for children in sex trafficking villages and equips them to become leaders who break the cycle of bondage. They raise new missionaries to lead village projects, provide access to education for children through tutoring centers, share the gospel in the villages, and protect girls at risk through residential programs.

In July 2021, they opened their first Girl's Shelter Home welcoming 15 at-risk girls. They all attend a private school, have tutoring, daily devotions and do not have to experience being threatened daily to be sold into trafficking.

THE INDIA MINISTRY EXISTS TO DEVELOP IMPOVERISHED COMMUNITIES OF INDIA BY ENRICHING CHILDREN AND EMPOWERING FAMILIES TOWARDS HOLISTIC TRANSFORMATION.

Mission India

India

God's heart is to reach every community with the Good News. And while we know that the whole world needs Jesus, we're determined to start in the most unreached nation on earth: India. Mission India's vision is to see India completely transformed by the love of Jesus Christ.

By partnering with churches and individuals here in the U.S., we provide the resources to empower and equip indigenous individuals and churches in India to reach unreached communities. The focus of our ministry is to see a fellowship of worshipping Christians within reach of every person in India. We do this through three outreach programs: Children's Bible Clubs, Adult Literacy Classes, and Church Planter Training. Each program has been developed by Indians, for Indians, and is designed to work effectively within specific physical, emotional, and social challenges such as poverty and caste discrimination.

Fueled by the Holy Spirit, our ministry partners are faithfully sharing the Good News of Jesus Christ! Mission India is honored to participate in the work of the Great Commission each day. God is moving miraculously in India, and is calling new believers from every caste, background, and people group in India to serve and follow Him!

IMAGINE GROWING UP IN A TOWN WHERE THERE'S NOT A SINGLE BELIEVER, BIBLE, OR CHURCH. THIS IS WHAT IT'S LIKE TO BE "UNREACHED"—LIVING A LIFE APART FROM CHRIST BECAUSE YOU'VE SIMPLY NEVER HEARD OF HIM.

InterVarsity Christian Fellowship

Bosnia & Herzegovina

InterVarsity exists to reach every corner of campuses to send students to global mission fields and produce award-winning books and video resources.

Matt and Rebekah started with InterVarsity in Southern California, before they moved to Bosnia and Herzegovina to continue their ministry. Rebekah grew up at Bayside, where her parents are still heavily involved. The Meyers have been Bayside partners since 2015.

The Bosnia Global Program involves a close partnership with the International Fellowship of Evangelical Students (IFES) movement in Bosnia and Herzegovina. The student live in the dorms and build relationships with Bosnian college students as part of a cultural exchange, learning how to communicate across cultures & learning how to share their faith with those in their life.

IT IS THOUGHT THAT RIGHT NOW IN THE ENTIRE COUNTRY, THERE ARE AROUND 500 BELIEVERS.

THE MAJORITY OF THOSE ARE IN SARAJEVO DUE TO THE FACT THAT THEY ONLY HAVE 3 SMALL CHURCHES THERE.

Young Life

Central & Eastern Europe

Al and Stacy Anderson serve with Young Life in Central and Eastern Europe with the vision of introducing young people to Jesus Christ and helping them grow in their faith. Young Life in Central and Eastern Europe is active in Czech Republic, Poland, Hungary, Romania, Bulgaria, Albania and North Macedonia. In the summer of 2022, Young Life put on 11 different camps for middle school and high school aged students. In 2023, they started a Ukrainian language ministry in 6 cities for teens displaced because of the war.

Their vision is to train and develop national leaders to share Jesus through friendships with teenagers. The Andersons work with national staff in each of these countries who run outreach camps and clubs, lead regular Bible Studies to help students grow in their faith and help young believers connect to a local church. Al, the Regional Director, has a focus on developing key national leaders and country directors and expanding ministry into new countries. Stacy, the Regional Trainer, develops and trains national staff in each country as they train and equip local volunteers.

STAFF AND LEADERS INVITE YOUNG PEOPLE TO PERSONALLY RESPOND TO THE GOOD NEWS AND WALK IN FRIENDSHIP WITH THEM REGARDLESS OF THEIR RESPONSE.

Fouad Masri is the president of Crescent Project and has been a long time friend to Bayside and the Global team, as we have sent multiple teams to their trainings over the years. Crescent Project has been in partnership with Bayside since 2008.

Their goal is to see every Muslim have an opportunity to respond to the Gospel and be connected to a true follower of Jesus. Crescent Project produces an abundance of resources, trainings and events to equip you to share the gospel with people of the Muslim faith. Their approach is to train the local church to reach out to the Muslims in the community.

Evangelical Covenant Ministries

The Evangelical Covenant Church

Colombia

Gary and Mary Lou Sander have been in Colombia since 1990 working with Covenant Churches and have been partners with Bayside since 1999. The Pacto ministries are discovering pathways to be mutual, reciprocal, and equal partners in ministry within the new realities of how to sustain life and ministry in our present context.

Gary and Mary Lou encourage and support mentoring relationships through the mutual sharing of life experiences, Biblical truths, and spiritual insights. They fellowship with Covenant pastors and leaders, younger church leaders, those involved in social justice and community outreach ministries, and with new friends and neighbors seeking to know more about their triune God. Their aim is for all to grow in spiritual maturity and leadership integrity to greater impact the communities where one lives with the love of God and His Kingdom values.
