

## Casey's Bio

Casey Taylor, PhD is a licensed psychologist, adjunct professor, pastor's wife, mom, and friend who is passionate about fostering relationships of hope and healing. She completed her Ph.D. in Clinical Psychology and her MA in Theology at Fuller Theological Seminary, and currently works as a licensed psychologist supporting youth, and young adults on their paths to growth and resilience. Her primary clinical experiences focus on trauma, youth development and caring adult relationships, and resilience.
